GENERAL DOCKAGE INFORMATION – update July 1, 2022

- The Port Franks Yacht Club leases all the docks on the north side of the Port Franks Marina in bulk from the Municipality of Lambton Shores
- Dock Management:
 - The Club leases the docks directly to the individual PFYC members.
 - All docks are full serviced for vessels with liveaboard accommodations only.
 - The minimum slip rental length is 25 feet / 7.62 M
 - The Club manages the docks and dock allocations to maximize the well usage.
 - Each Club member docker contributes to a reserve fund, which provides area upgrades, private PFYC Club docker Wi-Fi, etc.
- Each club docker must maintain current membership.
- Each Club Docker must have valid registration for their vessel.
- Each Club Docker must carry valid insurance at all times.
- The operator of the vessel must hold a Pleasure Craft Operator's Certificate.
- Each club docker must follow the conditions as identified in the current **Slip Rental Conditions** document.
- Acceptable forms of payment are
 - Cheques
 - E-transfer
- All funds due must be paid before the member can occupy their assigned slip.
